ITINERARY

DAY 1

Your winter adventure begins with an afternoon departure as you travel north toward Duluth in a luxury motorcoach bus. Along the way, enjoy an included dinner at **Tobies Restaurant & Bakery**, a Minnesota favorite for comfort food and baked goods. Several delicious options have been pre-selected, or upgrade with your own choice using cash or card.

After dinner, continue to Duluth and check into your hotel for a relaxing evening.

DAY 2

Following breakfast, depart for a guided tour of **Glensheen Mansion**. Located on the shores of Lake Superior, this lavishly decorated historic mansion offers a glimpse into the family who once called it home and the elegance of Christmases past. Be sure to visit the gift shop for a special memento before you leave. There will be free time and lunch on your own following the visit.

In the afternoon, enjoy a trip to the **Duluth Theatre** for a production of **Disney's Frozen**, followed by dinner at **Blackwoods Grill & Bar** with seating in their private room with Lake Superior views. This included 2-course meal always gets fabulous reviews and the atmosphere is perfect for a wintery evening before returning to your hotel for the night.

DAY 3

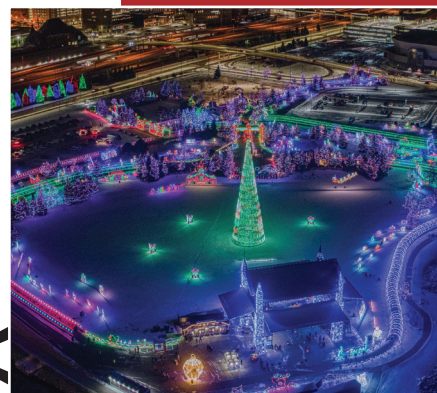

After breakfast, depart your hotel for one of the many different available overlooks to get great views of Duluth and the surrounding scenery. Then we will be heading to the **Duluth Train Museum** to experience another piece of Duluth's history within the railroad industry.

Next we will head over to **Pickwick Restaurant and Pub** for an included hearty lunch before continuing our evening activity at **Bentleyville Tour of Lights**. Walk through the dazzling light displays, sip complimentary cocoa or cider, browse the gift shop, and celebrate the joy of the holidays in true Duluth style.

DAY 4

Following breakfast, we'll check out and depart for a visit to the **Duluth Winter Village**, a charming outdoor market held just one weekend each year. Set against the backdrop of Lake Superior and the Lift Bridge, the village features artisan vendors, festive music, and plenty of holiday cheer. Lunch is on your own during your visit.

Then, depart for home with warm holiday memories and the joy of the season in your heart.
